

OUTLAW STRIKERS ATTACK TRAINS IN JERSEY CITY

Windows Broken by Stones
and Bottles and Three Em-
ployees Are Injured.

Further evidence of the continu-
ance of the outlaw railway strike
which has been hampering traffic in
the New Jersey yards for weeks was
reported by the police of Jersey City
this morning.

Early to-day a train of the Cen-
tral Railway of New Jersey while
passing through the cut near the
Bergen Avenue station was bombar-
ded by gangs of men believed to be
strikers, who took up their stand on
the top of the embankment and hurled
stones, broken bricks and bot-
tles at the passing train. Numbers

of windows in the cars were broken,
but no one was injured. Later an-
other gang attacked the same train
near Jackson Avenue.

William Daly, No. 1949 Broadway,
Brooklyn, an employee of the Central
road, was attacked while walking the
track near Bergen Avenue, struck
with a broken bottle and sustained
internal injuries. He was sent home.

Two men, believed to be strikers,
held up John Green, No. 526 Columbia
Street, Philadelphia, an employee of
the Pennsylvania yards, at Johnson
and Manning Avenues this morning,
struck him over the head and robbed
him of \$107. Officers of the Communi-
paw Avenue station chased the two
men and arrested them. They gave
their names as John Parkhill, No.
336 Whiton Street and Robert Palmer,
No. 337 Whiton Street, Jersey City.

William Fitzgerald, No. 314 Holiday
Street, Jersey City, was arrested
charged with assault and battery on
the complaint of C. O'Connor, an em-
ployee of the Pennsylvania road, who
identified Fitzgerald as one of a num-
ber of men who had assaulted him
early to-day.

Several hundred laborers employed
by the Pennsylvania road quit work
to-day when the road announced that
it would no longer furnish them with
three meals.

BOARD GETS HYLAN NEW PAY SCHEDULE

Provides for 22 Per Cent. for Em-
ployees Receiving \$1,500 or
Less a Year.

Mayor Hyman submitted at to-day's
meeting of the Board of Estimate, a
substitute for the flat 20 per cent. plan
of increases for 43,990 city employees
which he recently vetoed. The Mayor's
new salary plan, which has been con-
sidered in by practically every member
of the Estimate Board in committee
with the exception of Comptroller
Craig, follows:

All employees receiving \$1,500 or less
to receive 22 per cent. or a higher per-
centage if there is a sufficient sum
available.

All employees receiving \$1,501 up to
\$2,499 to receive an increase of 20 per
cent.

All employees receiving \$2,500 and up
to \$7,500 to receive a flat sum increase.

At this time no one to receive an in-
crease whose salary is \$7,500 or more.

Big Milk Robbery Kept Secret by
the Police.

The robbery of \$27,000 worth of milk
from the establishment of Jack Opon-
nauer, importer at No. 29 West 35th
Street, ten days ago became known to-
day. It had been kept secret by the
police of the West 35th Street Station.
Both Oponnauer and the police to-day
refused to discuss the theft, but it is
